**EXAMINER'S AMENDMENT**

The examiner amends the record with respect to applicants remarks filed 15 December 2008. Applicants reference paragraph numbers when referencing their specification. There are no paragraph numbers in their originally filed specification papers. However, consideration of US 2006/0247346 which is the published copy of their application by this examiner finds that the paragraph numbers when aligned with the original specification show the support set forth by applicants in their originally filed application. This note is added to clarify the reasons set forth by applicants for allowance of the claimed invention.

*Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cynthia Hamilton whose telephone number is 571-272-1331. The examiner can normally be reached on Monday through Friday 8:30 am to 5:00 pm.*
